

Sarita Dulal

Curriculum Vitae (CV)

What job i'm looking for? My positive points

Hii i am sarita.Right now i am working at an manufacturing company named western digital in malaysia as an general operator.its been 10 months since i join company..i belong to the country nepal..here i came for work..and i am doing well..i wanted to have work visa in ireland because i found this country different and since im working in a manufacturing compny i came to know that ireland also have manufacturing sector where i can find job...so i think you should hire me because iam already experinced at work and i can give continuity and honesty to the work..and i think an experienced worker is the important to the business...ireland currency is euro...so its better than malaysian ringit..i can earn more..and yes its all about money i wanted to earn and the main thing is i wanted to add some more experiences to my short life..i am good in english..if i mention about my hobby i like books and the ireland is known as famous for the literature... i am being honest to my words so if i get a chance To work inside ireland i would like to give my best of the best...thank you...
